The Honorable Board of Supervisors

Dear Supervisors:

**APPROVAL OF AMENDMENT NUMBER 1
TO AGREEMENT NUMBER 75665 WITH MEDIAFISH CREATIVE, LLC
FOR RECRUITMENT ADVERTISING SERVICES
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Chair of the Board of Supervisors to sign the attached Amendment Number 1 to Agreement Number 75665 with Mediafish Creative, LLC, (Mediafish) for the additional expenditure of \$1.5 million to supplement the recruitment advertising services for the Los Angeles County Sheriff's Department (Department).

PURPOSE OF RECOMMENDED ACTION

Approval of the action will allow the Department to continue its recruitment strategies to fill deputy sheriff, custody assistant, reserve, and professional staff vacancies in a very competitive market. The Department has had unprecedented success in its partnership with Mediafish. This partnership has increased public awareness of the benefits of working for the Department. This was done by creating a singular look and feel, or "brand" for the Department's advertising. Further branding was accomplished by associating the Department with other well known, world class organizations, such as the Los Angeles Dodgers and the Los Angeles Lakers. This branding approach is a new concept in the law enforcement field and has established the Department as the recruiting gold standard.

A Tradition of Service

IMPLEMENTATION OF STRATEGIC PLAN GOALS

The services provided under this amendment supports the County of Los Angeles Strategic Plan Goal 1, Service Excellence, and Goal 4, Fiscal Responsibility, by continuing to work with Mediafish to amplify the recruitment goals and missions of the Department.

The services will continue to maximize the Department's financial and physical resources, allowing the Department to fulfill its legal responsibility to the public and operate more efficiently.

FISCAL IMPACT/FINANCING

The anticipated annual cost of this contract adjustment is identified in the Department's ongoing operating budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

In May 2006, the County entered into an agreement with Mediafish to develop a management strategy to oversee the recruitment campaign and analyze the effectiveness of the Department's hiring, recruitment goals, and objectives.

Mediafish assisted the Department in meeting our recruitment goals for the first year of the contract. The additional positions that the Department needs to fulfill throughout the contract term relies on the effective recruitment advertising strategies that the contractor continues to provide. Mediafish's coordination with vendors to acquire the best advertising methods, costs, and supplies have contributed to the successful recruitment record. Examples of advertising methods utilized are billboard rentals, radio, television, newspaper advertisements, internet, job fairs, professional and college sporting events, sports team sponsorship, and other effective advertising avenues.

Mediafish is in compliance with all Board, Chief Executive Office, and County Counsel requirements.

The amendment to the contract has been reviewed and approved as to form by County Counsel.
